

Blue Marble Ice Cream's recently renovated shop at 186 Underhill Avenue.

At the far right is our back yard, and at the far left shows what a Street Seat may look like in front of our shop. A Street Seat occupies 1.5 parking spots and is an added public space for all to enjoy.

Please help us make it happen in time for a great summer on our beautiful block!

May 12, 2017

Dear Valued Neighbor,

Blue Marble Ice Cream is pleased to announce it is applying for a city sponsored Street Seat to be installed in front of our store at 186 Underhill Avenue.

Support from our friends and neighbors is vital to our receiving approval from the Community Board, so we ask you to kindly consider signing our online petition saying "Yes! We think the Street Seat is a great idea!"

Please see attached examples of Street Seats, and a rough sketch of what ours might look like. Please note that the seat occupies 1.5 parking spots.

**Our hearing is upcoming very soon, so please take a few moments to sign the petition.**

**THANK YOU VERY MUCH!!! WE ARE HAPPY TO BE CELEBRATING NINE YEARS ON THIS BLOCK, AND WE LOOK FORWARD TO MANY MORE TO COME!!!**

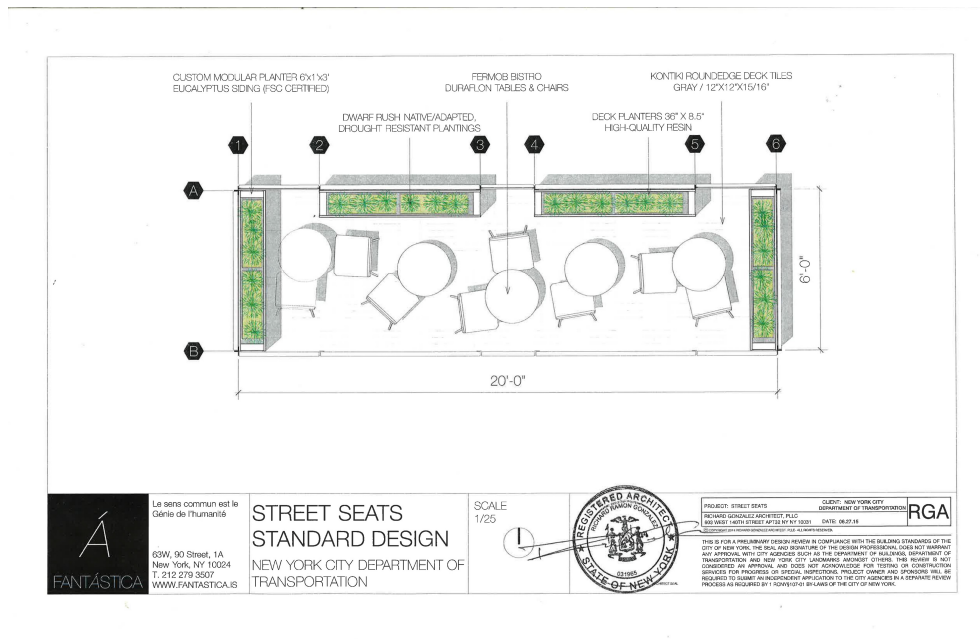

Sincerely,

Jennie Dundas

Co-Founder, Blue Marble Ice Cream
